

Welcome to St. Michael's

St. Michael's is a Church of Scotland parish church. As you live in our area, it is your church.

Whether you are looking for a place to worship; a place to meet local people; a place to get involved in helping others, or a place to air your views and explore your faith, I hope that St. Michael's has something to offer you.

As the minister at St. Michael's, I am also available to anyone living in the parish. This includes discussing arrangements for church weddings, blessings or baptisms.

St. Michael's can be for you a worship space; a quiet space; a friendly space; a concert space; a hall space, or all of the above. Whatever you need, please don't hesitate to ask.
